

3. To be the church Jesus has in mind, it begins with knowing and encountering the life and person of Jesus. In what ways can you 'restart' your relationship with Him? How does your thinking or approach need to change regarding the church?

4. Have you asked Jesus what to do with the idea of starting a Home Church? What have you heard from Him? (Remember Acts 4:31)

5. When Jesus began His small church, he started with calling people to join Him. He showed them where He lived and how He lived. He built relationships with them. We believe this is how churches today should be started as well.

Who are the people God has already placed in your life that you can/should start being more available to?
